COMPANY PROFILE

Dear Ladies And Gentleman

We enjoy welcoming you into our new world of leather articles for home decoration designed which we hope to bring the light of beauty into your lives...

We are a company located in Istanbul - TURKEY and produce & design leather articles since 1991.

Supreme quality products like kitchen and table accessories or home decoration articles designed by our own designers with the taste of luxury. This fact lies behind our collection's success in major European Countries. We process leather and faux leather exclusively hand made, and combine our products with various materials like wood, steel and glass. All our materials meet the requirements of European Standards for superior standarts of health and safety usage.

We also meet unique requests of designers or colours, with primary focus of customer satisfaction.

We are appreciated to present you our new collection the beauty of leather & glass & wood. The combination of supreme hand work of leather and wooden materials is created with dynamics of functionality besides its steamless beauty of luxury.

We hope you to enjoy, our unique collection of new ideas and superior hand made designs in the bright shine of love of leather

Kind Regards,

*Your,
Deria Marketing Team !!!*
